To the Attention of Georgia's Reforms Associates (GRASS: (PIC: 942681406)) leadership,

In response to the changing legal environment in Georgia, De-Conspirator project (HorizonEU Grant agreement ID: 101132671) has unanimously decided in its annual consortium meeting in Brussels that GRASS', participation in the project will no longer be sustainable.

We therefore propose that GRASS terminate its participation in the project and that the University of Georgia (PIC: 941852250), takes over remaining tasks, deliverables, person-months and budget for the duration of the project.

Please let me know if you have any questions,
